

Assessing students' motivation to get involved in organizing and implementing the Civic Action Project:
"Fresh Water: a precious resource...."

Name: Class:
Date: ___ / ___ / _____

Questionnaire:

How much do you know about our planet?

1. How much water is there on earth?

- 30% of the total surface.
- 50% of the total surface.
- 70% of the total surface.

2. How much of the water can be found in oceans?

- 37%.
- 97%.
- 67%.

3. How much freshwater is there available?

- 2,59%.
- 25,9%.
- 35,9%.

4. How much water is suitable for drinking?

- 3,7%.
- 2,5%.
- 1%.

	Very much	A little	Not very much
5. Are you worried about water shortages?			
6. Do you spend a lot of water?			
7. Do you usually try to save water?			
8. Are you interested in reducing your water bill?			
9. Would you be willing to cooperate in an experiment about reducing water consumption?			

10. How much was your last water bill? _____

11. How many m³ water did you spend last month? _____

12. Would you be willing to cooperate in an experiment about reducing water consumption? Yes No

Thank you for your cooperation,
