

HOW TO ORGANIZE EUROPEAN LANGUAGES FESTIVAL

Before...

- The brainstorming connected with the organization while the school meeting: everyone is giving his / her ideas
- The sharing of class positions and tables and duties – each class has to organize its own workshop or shop where things from different countries will be presented or sold
- Redecorating of the school hall and preparation of each class's department
- Invitations sent to the parents, local authorities and local media
- The musical equipment is checked
- The tables and chairs are brought from the classes
- The Comenius department with exhibition of the presents, pictures and mini guides are presented (but not sold☺), the European quiz is organized – each pupil can draw a lottery ticket, then answer one question connected with EU and win some sweets, crisps or chocolate

During...

- The organization meeting one hour before the event
- Each department is looked after by the class
- The head teacher opens it with the speech
- The pupils and their parents are having fun – it lasts about 5 hours
- The barbecue is done outside

After...

- An article to the local press and on the school website
- An exhibition of the pictures and comments made by students and teachers about the event
- Evaluation done orally upon what was good or bad about the events (no bad points at all☺)
